DETAILED ACTION

This Office action is responsive to communication received 05/04/2005 –
Amendment; 05/05/2005 – IDS.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claims 1-22 are allowable over the prior art references of record because it would not have been obvious to modify any of the prior art devices of record to include the combination of a face member, a first arm, a second arm and central member, as claimed, wherein claims 1-16 and 20-22 further require first and second openings and first and second cavities and wherein claims 17-19 further require a U-shaped wall, as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sebastiano Passaniti whose telephone number is 571-272-4413. The examiner can normally be reached on Monday through Friday between 6:30 AM and 3:00 PM.
